Policy

The Board believes that good governance requires sound organizational design and structure, regularly scheduled meetings of the Board, clear guidelines for the operation of the meetings, and to the greatest extent possible the meetings shall be open and accessible to the public and community stakeholder groups. To mitigate any safety risks to the public attending any Board meetings, and for Trustees and staff, procedural considerations for a standard operating safety plan are required. Such considerations are found in Appendix A of this policy.

The Board believes there are times when public interest is best served by private discussions of specific issues in in-camera sessions. The Board believes it is necessary to protect individual privacy and the Board's own position in negotiating either collective agreements or contracts and therefore expects to go in-camera for issues dealing with individual students, individual employees, land, labour, litigation, or negotiations.

Occasionally, unanticipated, or emergent issues require immediate Board attention and/or action.

Special meetings of the Board may be held from time to time as provided for under Alberta Regulation 82/2019 of the *Education Act*, Section 3. These are public meetings.

9. Motions

Motions do not require a seconder, except in rare instances as described below:

9.1 Notice of Motion

The notice of motion serves the purpose of officially putting an item on the agenda of the next or future regular meeting and gives notice to all Trustees of the item to be discussed. A notice of motion is not debatable and may not be voted on.

<p style="text-align: center;"><i>Policy Manual</i></p> <p>PAGE: 6 of 15</p>	<p>CODE: Policy 7 TITLE: Board Operations APPROVED: May 26, 2009 AMENDED/REVIEWED: January 2024</p>
<p>LEGAL REFERENCE: Sec. 33-34, 51-53, 64-67, 69, 73, 75, 81, 85-97, 112, 114, 138-139, 222 Education Act; Local Authorities Election Act; Income Tax Act (Canada); Board Procedures Regulation; Petitions and Public Notices Regulation</p>	

A Trustee may present a notice of motion for consideration at the next regular meeting of the Board or may specify another meeting date. If a Trustee cannot be present at a meeting and wishes to make a notice of motion, they may provide the Superintendent with a written notice of motion and ask that it be placed on the agenda of the next regular meeting and read at the meeting. The written notice of motion must have a seconder from a Trustee present at the meeting at which the notice is given; otherwise, the item will be dropped.

9.2 Discussion of Motions

The custom of addressing comments to the Board Chair should be followed by all persons in attendance.

A Board motion or a recommendation from Administration must be placed before the Board prior to any discussion taking place on an issue. Once a motion is before the Board and until it is passed or defeated, all speakers shall confine their remarks to the motion or to the information pertinent to the motion.

9.3 Speaking to the Motion

The mover of a motion first and every Trustee shall have an opportunity to speak to the motion before any Trustee is allowed to speak a second time.

The mover of the motion is permitted to close debate on the motion.

As a general guide, a Trustee should not speak longer than five minutes on any motion. The Board Chair has the responsibility to limit the discussion by a Trustee when such a discussion is repetitive or digresses from the topic at hand, or where discussion takes place prior to the acceptance of a motion.

No one shall interrupt a speaker, unless it is to ask for important clarification of the speaker's remarks, and any such interruption shall not be permitted without permission of the Board Chair.

Should a Trustee arrive at the meeting after a motion has been made and prior to taking a vote, the Trustee may request further discussion prior to the vote. The Board Chair shall rule on further discussion.

9.4 Reading of the Motion

A Trustee may require the motion under discussion to be read at any time during the debate, except when a Trustee is speaking.

9.5 Recording Votes

Outside of a unanimous decision, the minutes shall record the names of the Trustees who voted for or against each matter.

9.6 Required Votes

The Board Chair and all Trustees present, unless excused by resolution of the Board or by the provisions of the *Education Act*, shall vote on each question. Each question shall be decided by a majority of the votes of those Trustees present. A simple majority of a quorum of the Board will be decided in favour of the question. In the case of an equality of votes, the question is defeated. A vote on a question shall be taken by open vote, expressed by show of hand, except the vote to elect the Board Chair or Vice-Chair, which is by secret ballot, unless there is unanimous agreement among the Trustees to use a show of hands.

9.7 Debate

In all debate, any matter of procedure in dispute shall be settled, if possible, by reference to Robert's Rules of Order. If this reference is inadequate, procedure may be determined by motion supported by the majority of Trustees in attendance.

10. Presentations, Delegations, and Petitions to the Board

Given the Board values input from stakeholders of the Division, individuals or groups may present to the Board in one of two ways:

- On matters of general educational interest and relevance to the operation of the division and/or division schools, or

APPENDIX "A"

BOARD OF TRUSTEE MEETING OPERATIONAL SAFETY PLAN

PREAMBLE

Making meetings of the Board of Trustees of the division open to members of the public to attend is a necessary component to support and continually enhance the visibility of the Board's governance of division operations and the development and enhancement of public trust. While open session Board meetings are important to ensure the public can voice their concerns and be part of the democratic process, the Board must also be able to conduct its meeting efficiently and with minimal disruption.

To support the safe and effective operation of open public meetings, administration staff will develop, and review annually, an operational safety plan that takes the following considerations into account. The operational safety plan will be reviewed by the Board regularly and may be adjusted as needed.

PROCEDURAL CONSIDERATIONS:

1. Establish security processes for Trustees and staff to enter and leave Board meeting sites.
2. Establish and practice emergency exit routes for Trustees.
3. Ensure security and lighting in building access points are adequate, as part of a risk and vulnerability assessment of the Board meeting site.
4. Ensure public attendance does not exceed the room's maximum capacity limit.
5. Ensure visitor sign-in and sign-out processes are in place.
6. Apprise public attendees of the rules of conduct prior to meeting commencement.
7. Ensure security personnel are on site when deemed necessary to enforce violations to meeting order.
8. Consider the live streaming of some or all Board meetings.
9. Ensure the proper processes for enabling delegations to be heard at Board meetings are included in a specific section of Policy 7.
