

SCHOOL COUNCILS, SOCIETIES, AND PARENT GROUPS INSURANCE PROGRAM

Increasingly, parents are taking on more active roles in the schools their children attend, particularly with respect to fundraising. The activities of parent groups, councils or societies may or may not be covered under their respective school boards' liability insurance policies. In cases where activities are run independently, without direct oversight of a school employee or trustee, these parent groups may require their own liability insurance protection.

Your School Board's insurance offers coverage as long as your group is acting as a School Council in Alberta or School Community Council in Saskatchewan as defined in the Alberta and Saskatchewan Education Acts. If your organization is involved in activities that are not under direct control of your school or board administration, your School Council in Alberta or your School Community Council in Saskatchewan may be required to purchase its own insurance.

Marsh Canada Limited can offer parent groups access to an insurance program that is designed to meet the unique needs of these types of organizations.

This program features competitive rates and includes:

- Commercial General Liability Insurance.
- Directors and Officers Liability Insurance.
- Crime Insurance.
- Contents Insurance.

A School Board's liability insurance does not extend to a society or parent group and its directors as the society is its own legal entity, separate and distinct from the school board. Even though the societies and parent groups are acting on behalf of the board, the board does not directly control their activities. A society has their own executive which makes decisions on behalf of the group.

Societies and parent groups may choose to purchase their own liability insurance. The exposure to risk of liability can best be reduced by practicing good management of the society's activities.

COMMERCIAL GENERAL LIABILITY INSURANCE

Commercial general liability insurance protects your group in the event of an accident. The policy covers your organization for claims arising from bodily injury or property damage to third parties that arise from your group's activities. Casinos, fundraising, incorporation under the society act and playground builds are covered. Coverage of \$5 million or \$10 million is available under this program.

DIRECTORS AND OFFICERS (D&O) LIABILITY INSURANCE

Directors and officers liability insurance protects the group, its officers and other volunteers for any breach or alleged breach of duty or wrongful act while acting within the scope of his or her duties. Coverage of \$2 million or \$5 million is available under this program.

CRIME INSURANCE

Crime insurance policies, which are often referred to as fidelity bonds, protect organizations from direct financial loss arising out of dishonest and fraudulent acts committed by their members as well as specific types of fraudulent or criminal acts committed by non-members, including theft, burglary, robbery, forgery, fraud, and computer theft.
