

# Board Highlights

## **BOARD STUDENT ADVISORY COMMITTEE PRESENTATION**

Trustees expressed appreciation to the 14 students who attended the board meeting to present a summary of their work, and what they have learned as individuals, while serving on the Board's Student Advisory Committee this year. Trustees thanked the students, their parents/caregivers and staff for another great year of collaboration and learning.

The Terms of Reference for the (cont.)

Student Advisory Committee are available in Appendix H of Board Policy 8, Committees of the Board, available on the division website at [Board Policy 8: Committees of the Board](#).

## **DIVISION 3-YEAR EDUCATION PLAN APPROVAL**

The Board approved the 2024-2027 3-Year Education Plan for the division.

The 3-Year Education Plan priorities were developed using the existing priorities, the ongoing review evidence of progress from the Annual Education Results Report, and feedback from staff, students and parents collected throughout the year in a variety of formats.

Building off of the previous 3-Year Education Plan, the new plan identifies new strategies to continue the improvement seen over the previous 3 years in each of the three priority areas of Teaching and Learning, Belonging, and Leading.

## **2024 – 2025 DIVISION BUDGET APPROVAL**

The Board approved the 2024 – 2025 Division Budget and transfers to and from reserves as presented by division administration.

The budget is a deficit budget that will be addressed through the planned use of reserves.

Projected enrollments are driving an increase in revenues over the current year of approximately \$3.8 million dollars. The increase in expenditures is largely due to increased costs and inflationary pressures.

The Board thanked Associate Superintendent Norm Guindon and his finance staff for building a budget that addressed the Board's budget development priorities (established earlier in the year), and for leading a process to develop both the current budget as well as a 3-Year Budget Plan that provides information to inform future planning.

## SUMMER SCHOOL UPDATE

Planning for the first year of GPPSD's Summer School programming has been finalized and applications are now open for July classes. The Board extended appreciation to Director of System Supports Mrs. Kimberly Frykas, and GPPSD high school Principals Mr. Vobeyda, Mr. Wall and Mr. Dunfield for their planning efforts.

Current GPPSD students or families who are interested in applying for Summer School, or have questions, are encouraged to speak with their school administration or counsellors.

Detailed information about the new Summer School programming, and application links are available on each school's website:
