Division Assurance Survey Responses

ENGAGEMENT

Engaging with our school communities is key in determining priorities and strategies in our Division Three-Year Education Plan.

Division and Provincial surveys, School Council Meetings and the Board of Trustee Student Advisory Committee are opportunities for parents and students to contribute to division planning.

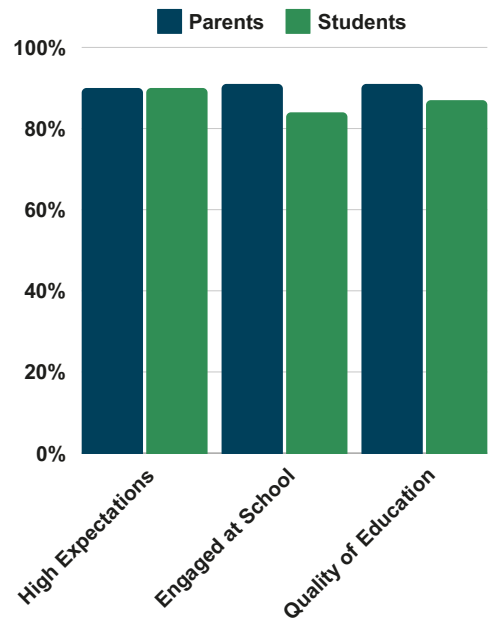

Priority 1

TEACHING AND LEARNING

Parent results in the areas of high expectations for student achievement, engagement at school and overall quality of education have increased.

Understanding student perspectives is an ongoing focus in our division.

Priority 2

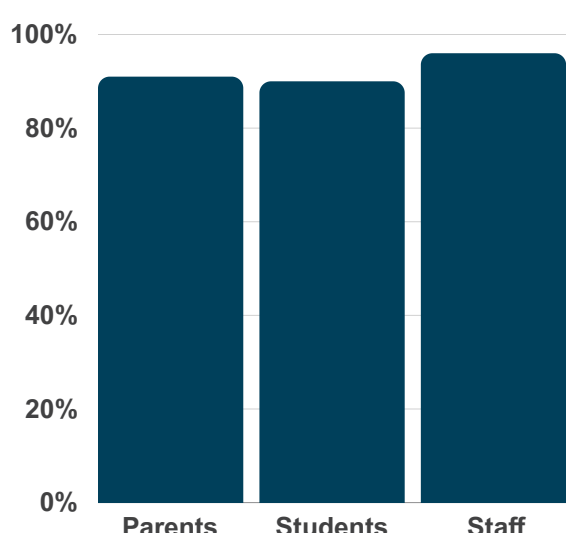

LEADERSHIP

Prioritizing student growth and achievement requires a commitment to professional learning. School leaders and teachers have embedded time for ongoing growth focused on instructional practices to support optimum learning for all.

Staff Satisfaction: Professional Learning

Students are Acquiring and Applying Indigenous Foundational Knowledge

INDIGENOUS FOUNDATIONAL KNOWLEDGE

The first phase of the division's Indigenous plan focused on embedding Truth and Reconciliation, applying foundational knowledge and Indigenous perspectives in classrooms.

Phase two of the plan is the creation of an Indigenous Learning Holistic Companion document to further embed Indigenous foundational knowledge in all classrooms.

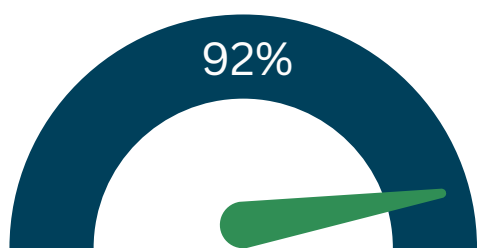

Priority 3

INCLUSION

Consistent with the principles of inclusive education, a continuum of supports meets the needs of all students. 78% of parents are satisfied with the opportunity to participate in development of student individual program plans. The division will be engaging with parents to learn more.

Parent Satisfaction

92% of parents agree that schools are welcoming, caring, respectful and safe environments.

WELCOMING, CARING, RESPECTFUL AND SAFE

We are committed to continually improving our school environments so everyone is treated with respect and dignity with equal opportunities and access to programs, services, and resources needed to succeed.

WELLNESS

Staff and student mental health and wellness is a priority. The division's Mental Health Model for supporting students builds consistent support.

The division's Wellness Committee supports staff with monthly wellness information, a sponsored staff wellness day and a culture where wellness is embedded in practice.

Staff Satisfaction: Wellness

89% of staff agree their workplace supports their wellness.
